VDP.Grosse Lage

BARREL-NR. 1887

Our monopole vineyard along the banks of the Nahe River. Prehistoric rock atop gray slate bedrock and a blanket of clayey loess soil. Famed around the world for its grand naturally sweet wines.

In notable vintages this exceptional vineyard can also produce grand dry Rieslings. 2018 was just such a perfect year. We harvested healthy, fully ripe grapes from our oldest vines and produced a deliciously dry Großes Gewächs. Tremendous quality, but lamentably small yields.

Wonderfully clear minerality, racy with a remarkable character, sophisticated aromas, incredible power offset with a ballerina's delicate grace.

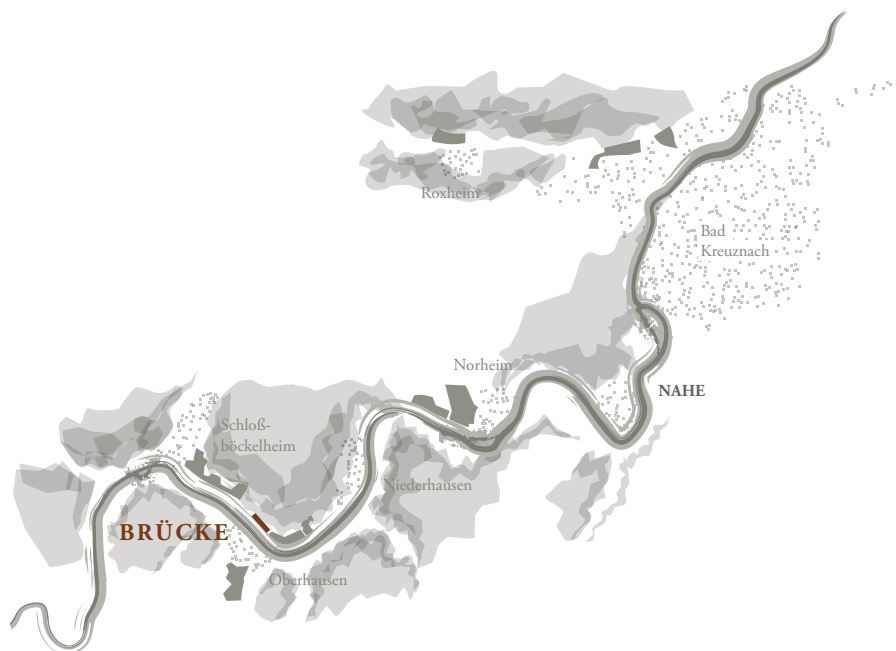

Age of vines ca. 40 - 50 years

Yields ca. 20 hl/ha

100% hand harvest

Fermented in seasoned oak and stainless steel tanks.

Alc. 13 % Vol.
